The mere fact that a large No of persons have the petition is no guarantee that the Hakim is a useful practitioner.

(8) The Superintendent of the Indigenous Hospital having reported through the Senior Surgeon favourably of the work done by the Hakeem, the D. D. Boards recommendation to pay him a monthly allowance of Rs 15 was sanctioned in Pro of 22/10/97

and the same was continued for one year in Sl nos 10 & 14. The Board proposed to continue the allowance as long as the institution continued to be popular and to allow them a compounder on 5 h. m.

The Payment of an allowance of 15 M to Hakim Syed Mustafa was first sanctioned for 6 months (Sl. Memo

With reference to the marginally noted orders of the 2nd Councillor and the Secretary, it is submitted that the Hakeem was intended to treat patients of the Mysore City and that the payment of the allowance was sanctioned temporarily for six months on the recommendation of the D. F. Board, who expressed their willingness to bear the charge. On further recommendations of the same Board, the allowance was continued for another year.

(2) The Office begs to point out that the D. F. Boards

6

usually contribute towards the cost of medical institutions in municipal towns: The institutions in Mysore City aided from D. F. are given below:—

(1) Krishnaraj Jattappas Free dispensary at Mysore is supported from D. F. with a monthly grant of Rs 20 per mensem, the municipal grant being only Rs 15 p. m.

(2) H. H. the Maharaja Hospital at Mysore

(3) Old Agrahar Dispensary

Sl 20

(9) In reply to the Presidents proposal contained in para 8 supra ~~the office~~ enquiries were made as to whether the people treated by the Hakim did not belong to the Mysore city and if so whether the cost should not be borne by the Municipality wholly or in part.

Sl 21

(10) The President reported that the people treated by the Hakim belonged mostly to the Mysore city but that the Ml. Board was unable to bear the ~~cost~~ charge in question wholly or in part as its financial condition was limited.

Sl 22.

(11) Thereupon, the Govt., seeing no reason for giving any money out of Land Funds for a Municipal town, declined to sanction the Presidents' proposal to continue the allowance of Rs 15 to the Hakim from the District Land Funds, & ~~to the appointment~~

The President now reports

in his no. 67 dy 18.7.00

that the above order & a petition
received from the Mohammadan community were placed before the District
Fund Board (on 23-1-00),
it was resolved to renew a
Grant of Rs 10 per mensem to the
Hakim provided the city
Mcty made a similar grant.
But that the Mcl Board resolved
that they were unable to bear any
extra charge for want of funds.
In these circumstances, the
President, while urging the
usefulness of the Hakim's
Services, especially to the
Mohammadan community, & to their Josha ladies,
Solicits Sanction to the
allowance of Rs 20 per mensem
paid to the Hakim from
the District Funds & the
Local Funds General in
equal proportions & adds
that the cost of the Indigenous
Hospital at Mysore is met
from the municipal and Local
Funds General.

The order abbreviating the President's proposal to appoint Hakeem Syed Mustafa who was getting a monthly grant-in-aid of Rs 15/- from District Funds as Hakeem of the Imami Branch of the Indigenous Hospital at Mysore on Rs 25/- a month in place of Ghulam Hussein was communicated to him in G.P. no 5242-45 / 17 79-92 dated the 13th Oct. 1900 Ms/A

In G.P. no 1635-6 / 17. 79-92 dated the 26th July 1902 Government while granting an increase of Rs 20 to Kamparama Panditaru also gave, of their own accord, Rs 5 to Hakeem Syed Mustafa (both to be given in two equal annual instalments) Flag B

Hakim Syed Mustafa has now petitioned the President praying that he may be given his predecessor's pay viz Rs 40/- Sl 64 a

In submitting the Hakim's application for favourable consideration, the President says that at the time of his appointment as Hakem of the Indigenous Hospital he was given Rs 25/- a month as Starting

salary and a promise was held out that if he worked satisfactorily and gave satisfaction to the public his case for promotion would be considered. The present Hakim's predecessor was promoted to Rs 25 in October 1893 and was given Rs 40/- in October 1895 i.e. within a period of two years; whereas the present Hakim, who has put in a service of over 2 years, got a small increase of Rs 2½ in July 1902 under G.O. no 1635-6 / 2779-92 dated the 26th July '02. He is stated to be very popular and is reported to be doing more good than his predecessor. In these circumstances the President strongly recommends that the Hakim's pay may be raised to Rs 40/-

Sir,

I have the honor to submit herewith an application for promotion received from Syed Mustafa Hakim of the Indigenous Hospital at Mysore. Before he joined the Hospital, he was being paid an allowance of Rs 15/- per mensem from the District Funds for dispensing medicines in the Mandi-Mohalla of the Mysore City. On the death of Gulam Hussain, the late Hakim in August 1900, who was getting a salary of Rs 40/- per month, the applicant was appointed in his place on a salary of Rs 25/- with the hope held out to him that 'if he works satisfactorily and gives satisfaction to the public, his case for promotion would

would be considered in future (vide this office letter No. 259 dated 10th September 1900). The late Hallini who was promoted to Rs 25/- in October 1893 (on his pay raised to Rs 40/- in October 1895 i.e within a period of two years. But the present Hallini who is reported by the Amildit in charge of the Hospital to have worked satisfactorily and who has put in a Service of nearly two and half years on Rs 25/-, was given a small increment of Rs 2½ in July 1902 (vide G.O No. 1635-6 L.S.G. / L.779-92 dated 26th July 1902). The Hallini is very popular and is reported to be doing more good than his predecessor. Under these circumstances, I beg strongly to recommend for the favorable consideration of Government that the pay of the individual maybe raised to Rs 40/- per month.

Respected Sir

The undermentioned humble petitioner begs to bring the following few lines into your honor's Kind consideration.

He has served for more than two years as a Unani Hakim in the Govt. Indigenous Hospital Mysore. He has cured many plague patients since its commencement, which your honor may enquire into in the whole town besides the patients of other diseases cured

His predecessor got the promotion of Rs 15 for two ~~years~~ service just as the Kannada pundit who was for Example getting Rs 40 per month

While he was a private practicener he was earning not less than Rs 70 per month. He was first appointed on Rs 25 with the promise of promoting him early. Now he is getting only 27 Rs- 8 As. He got promotion of Rs 2½ for his 2½ years service instead Rs 15

Though he has got right for 15 Rs promotion He is favoured with 2½ Rs promotion. He belongs to a high family. His ancestors had got high posts viz Bukshy Tete in the Govt. He has to feed a large family

IV That his pay is insufficient to meet the expenditure.

V So he prays your honor to favour him with the promotion of Rs 15 as his predecessor got

For which act of kindness he will generously be kept to remain
